INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Hungry Canyons Alliance, Inc.
Oakland, IA

Report on the Financial Statements

We have audited the accompanying financial statements of Hungry Canyons Alliance, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets and cash flows for the years then ended.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessments of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

November 5, 2015
Hungry Canyons Alliance, Inc.
Independent Auditors' Report

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hungry Canyons Alliance, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

U.S. generally accepted accounting principles require Management's Discussion and Analysis and the Budgetary Comparison Information on pages 5 through 8, and page 16, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with U.S. generally accepted auditing standards, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2015, on our consideration of Hungry Canyons Alliance, Inc.'s internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Hungry Canyons Alliance, Inc.'s internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Management of the Hungry Canyons Alliance, Inc. (HCA) provides this Management's Discussion and Analysis of the HCA's annual financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2015. We encourage readers to consider this information in conjunction with the HCA's financial statements which follow.

2015 Financial Highlights

- HCA Federal appropriations were not funded for FY2014 or FY2015.
- HCA State appropriations were \$450,000 for FY 2014 and FY2015.
- The HCA's total restricted assets (funds available for Grade Control Structures-CGS) increased by \$79,370 from June 30, 2014 to June 30, 2015, or approximately 4.3%. This increase is due to a decrease in the number of new state projects approved in FY2015. Many HCA counties were limited in requesting new HCA funds because they were either busy completing FEMA and HCA projects approved in previous years or were dealing with staff reductions/changes.
- The HCA's total liabilities and net assets increased by \$66,708, or approximately 3.3%, from June 30, 2014 to June 30, 2015. This increase is again due to a decrease in the number of state projects approved.

Using this Annual Report

The annual report consists of a series of financial statements and other information, as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the HCA's financial activities.

The basic financial statements consist of a Statement of Financial Position including assets, liabilities, and net assets, a Statement of Activities and Changes in Net Assets, and a Statement of Cash Flows. These statements provide information about the activities of the HCA, on a comparative basis, including resources held by the HCA but restricted for specific purposes by legislation or by the HCA's Board of Directors.

Notes to Financial Statements (pg.13-15) provide additional information essential to a full understanding of the data provided in the basic financial statements.

Reporting the HCA's Financial Activities

The Statement of Financial Position and Statement of Activities and Changes in Net Assets

One of the most important questions regarding the HCA's finances is "Was the HCA monetarily able to attain its goals during the year?" The Statement of Financial Position and the Statement of Activities and Changes in Net Assets report information about the HCA's resources and its activities in a way that helps answer this question. These statements include all assets (restricted and unrestricted) and all liabilities using the accrual basis of accounting which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the HCA's net assets, which is the difference between assets and liabilities, as one way to measure the HCA's financial position. Over time, increases or decreases in the HCA's net assets are one indicator of whether its financial position is improving or deteriorating. Additional factors, such as changes in the number of member counties involved in the HCA, changes in appropriations and legislation, measures of the number and type of GCS approved or built, and the amount of local matching funds, are also important in making this determination.

The Statement of Cash Flows

The Statement of Cash Flows reports cash receipts, cash payments, and net changes in cash and cash equivalents resulting from three defined types of activities: cost share for county GCS, cost share for small GCS, and research. It provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash and cash equivalents during the reporting period.

Financial Analysis of the HCA

Assets, Liabilities and Net Assets			
		June 30,	
		2015	2014
Current assets	\$	2,002,853	\$ 1,936,145
Total assets	\$	2,002,853	\$ 1,936,145
Current liabilities			
Accounts payable	\$	7,750	\$ -
Deferred income		30,000	27,000
Total current liabilities		37,750	27,000
Net assets:			
Unrestricted			
Undesignated		123,596	147,008
Temporarily Restricted			
Interest funds		130,733	111,174
State funds		1,710,774	1,650,963
		1,841,507	1,762,137
Total net assets		1,965,103	1,909,145
Total liabilities and net assets	\$	2,002,853	\$ 1,936,145

The HCA's total restricted assets (funds available for GCS) increased by \$79,370 from June 30, 2014 to June 30, 2015, or approximately 4.3%. This increase is due to a decrease in the number of new state projects approved in FY2015. Many HCA counties were limited in requesting new HCA funds because they were either busy completing FEMA and HCA projects approved in previous years or were dealing with staff reductions/changes.

As noted earlier, net assets may serve over time as a useful indicator of financial position. The HCA's net assets increased by \$55,958, or approximately 2.8%, and the HCA's total liabilities and net assets increased by \$66,708, or approximately 3.3%, from June 30, 2014 to June 30, 2015. Both of these increases are again due to a decrease in the number of state projects approved.

The following shows the changes in net assets for the HCA.

Revenues, Expenses and Changes in Net Assets			
	June 30,		
	2015	2014	
Operating revenues:			
Federal Contracts Paid (USFWS)	\$ -	\$ 121,235	
State Appropriations	450,000	450,000	
County Contributions	57,000	57,000	
Interest	8,628	8,583	
Other	2,042	3,004	
Total operating revenues	517,670	639,822	
Operating expenses:			
Administrative	119,000	116,752	
General	10,024	9,408	
Lobbying	7,500	7,500	
Research	82	-	
Federal GCS Completed	-	121,235	
State GCS Completed	302,786	513,157	
Small GCS	22,320	26,861	
Other Programs	-	18,222	
Total operating expenses	461,712	813,135	
Change in net assets	55,958	(173,313)	
Net Assets – Beginning of Year	1,909,145	2,082,458	
Net Assets – End of Year	\$ 1,965,103	\$ 1,909,145	

The amount of state funds paid for completed GCS decreased by \$210,371, while the amount of federal funds paid for completed GCS decreased by \$125,235 from June 30, 2014 to June 30, 2015. The decrease in state funds paid for completed GCS was due to many HCA counties being busy completing FEMA projects or dealing with staff reductions/changes. The decrease in federal funds paid for completed GCS is due to the completion of two projects which received federal funds through a US Fish and Wildlife Service grant. The last federal funds were spent by December 31, 2013, leaving only state funds for use by the HCA going forward.

Construction of in-stream GCS is the goal of the HCA. When applications are received from the counties and approved, all restricted fund resources are available immediately and obligated to the newly-approved GCS each quarter. GCS are completed and paid year-around, so an average of 15-25 structures are in progress year-around. The variability and unpredictable nature associated with the timing of structure completions creates the need for immediate cash flow to the counties. The small structure program is funded with interest earned from state and county funds to protect farmlands from gully erosion.

The cost-share paid to the counties from federal and/or state appropriations does not constitute any HCA, federal, or state ownership of those structures. HCA does not retain any infrastructure assets with the counties structures program or with the small structures program.

The following table lists the funds for county structure cost share that the HCA has administered during the fiscal years 2002 through 2015.

Funds Administered by HCA - 2002 to 2015

Year	Federal Funds Appropriated	State Funds Appropriated	County Fee	Total Contribution	Federal Funds % of Total
2002	\$ 800,000	\$ 441,667	\$ 55,000	\$ 1,296,667	0.62
2003	\$ 1,200,000	\$ -	\$ 37,500	\$ 1,237,500	0.97
2004	\$ 1,200,000	\$ 400,000	\$ 40,000	\$ 1,640,000	0.73
2005	\$ 1,190,400	\$ 400,000	\$ 42,500	\$ 1,632,900	0.73
2006	\$ 1,188,000	\$ 400,000	\$ 42,500	\$ 1,630,500	0.73
2007	\$ -	\$ 400,000	\$ 51,000	\$ 451,000	0.00
2008	\$ 851,994	\$ 386,667	\$ 56,000	\$ 1,294,661	0.66
2009	\$ 282,000	\$ 400,000	\$ 56,000	\$ 738,000	0.38
2010	\$ 282,000	\$ 500,000	\$ 56,000	\$ 838,000	0.34
2011	\$ -	\$ 323,000	\$ 57,000	\$ 380,000	0.00
2012	\$ -	\$ 356,250	\$ 57,000	\$ 413,250	0.00
2013	\$ -	\$ 393,750	\$ 57,000	\$ 450,750	0.00
2014	\$ -	\$ 450,000	\$ 57,000	\$ 507,000	0.00
2015	\$ -	\$ 450,000	\$ 57,000	\$ 507,000	0.00
Total	\$ 6,994,394	\$ 5,301,334	\$ 721,500	\$ 13,017,228	0.54

Factors Affecting the HCA's Future

Overall, the HCA maintained its good financial position during the current fiscal year. However, the condition of the national, state, and local economies will continue to be a concern for the HCA Board of Directors. Some of the realities that may potentially become challenges for the HCA are:

- Ensuring that infrastructure protection and mitigating the negative impacts of streambed degradation remains an issue of priority in the eyes of federal, state, county, and local governments.
- Reductions in federal and state appropriations. The HCA needs continued state funding to match potential federal appropriations and federal EWP funding. The HCA may be able to receive state funding through a proposed natural resources trust fund, however, federal earmark appropriations have come to an end for the foreseeable future. It is estimated that an additional 180 bridges/culverts in western Iowa still need protection from streambed degradation. At an average of \$65,000 per project, the HCA will need appropriations of \$11,700,000 in state and federal funding to complete our mission of completely protecting western Iowa's infrastructure.
- The HCA program requires counties provide 20% match in order to receive cost share. Funding reductions for local governments may limit the amount of matching funds available for projects, thus limiting the total number of projects.

Contacting the HCA's Financial Management

This financial report is designed to provide federal, state, and county governments, partners, and taxpayers with a general overview of the HCA's finances and to show the HCA's accountability for the money it receives. If you have questions about this report and/or need additional financial information, contact Hungry Canyons Alliance, Inc., 712 S. Hwy. 6 & 59, P.O. Box 189, Oakland, IA 51560-0189.

HUNGRY CANYONS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Nature of Activities – The Hungry Canyons Alliance, Inc. is a private nonprofit corporation organized under Chapter 504(A), Code of Iowa in 1981. The Organization's primary focus is to protect the loess soils region of western Iowa from stream channel degradation. The Organization provides demonstrations, conducts research in effective methods, and provides financial and technical assistance for streambed stabilization projects in twenty-three counties.

The Organization is funded primarily through federal agency contracts, appropriations from state governmental agencies and support from local county governments.

Federal projects, awarded through the Hungry Canyons Alliance, Inc., receive federal funding for infrastructure protection through an approved cooperative agreement with the U.S. Department of Agriculture-Natural Resources Conservation Service. Federal awards and state appropriations provide the county cost-share for construction of stream control structures throughout the loess soils region of western Iowa.

The accompanying financial statements, which include all programs administered by Hungry Canyons Alliance, Inc., have been prepared in conformity with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB) and other accounting principles appropriate for non-profit associations.

The Organization's Board of Directors is comprised of representatives from each county served and are appointed by the County Board of Supervisors annually.

The statements of financial position, activities and changes in net assets, and cash flows are all organization-wide financial statements. They report information for all Hungry Canyons Alliance, Inc., Inc.'s activities, which are in turn all deemed to be governmental activities. The Organization has no proprietary type activities.

Revenue Recognition – Revenues from appropriations, grants and other services are recognized when received or accrued. State appropriations, and interest earned thereon, in excess of related program expenses are recorded as temporarily restricted net assets until those funds are expended.

Income Taxes – The Organization is considered to be an affiliate of a governmental unit, making it exempt from state and federal income taxes under the Internal Revenue Code and, accordingly, no provision has been made for income tax liabilities or expense. The Organization is not considered a private foundation.

HUNGRY CANYONS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents – For the purpose of the statements of cash flows, the Organization considers all highly liquid debt instruments purchases with maturity of three-months or less to be cash equivalents.

Property and Equipment – Equipment consists primarily of office equipment and is recorded at cost. Depreciation is provided on a straight-line basis over the five year estimated lives of the equipment.

Deferred Revenue – Deferred revenue represents county membership fees collected for the next fiscal period.

Concentration of Credit Risk – The Organization receives a substantial portion of its revenue from state grants. A significant reduction in the level of government funding would have a major effect on the Organization's programs and activities. The Organization also receives federal, state and county funding.

Cash funds deposited in excess of federally insured limits are protected by the Iowa State Sinking Fund for banks and savings associations, which covers Iowa uninsured public funds.

Fair Value of Financial Instruments – The carrying amounts of cash, receivables, accounts payable, accrued expenses, and other liabilities approximate their fair values due to the short-term maturities of these financial instruments.

Donor Imposed Restrictions – All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support depending on the nature of the restriction. The Organization's temporarily restricted net assets consist of state appropriations and interest earned on such appropriations, and are restricted for streambed stabilization projects. The Organization has no permanently restricted net assets.

Date of Management Review – Management has evaluated subsequent events through November 5, 2015, the date the financial statements were available to be issued.

HUNGRY CANYONS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

NOTE 2 STRUCTURE COST COMMITMENTS

The Organization has approved various projects with local counties for soil stabilization projects. Formerly, when these projects were approved, the cost was recorded as an appropriated expense. The Organization has committed funding to the following projects not completed as of June 30, 2015:

State Projects	\$	1,044,135
Small Structures		<u>34,000</u>
	\$	<u>1,078,135</u>

These commitments are not reflected in the financial statements.

NOTE 3 COOPERATIVE AGREEMENT

The Organization enters into, on an annual basis, a cooperative agreement with Golden Hills Resource Conservation and Development, Inc. Under this agreement, Golden Hill Resource Conservation and Development, Inc. performs various duties, as follows: (1) assists in the job description, salary determination and hiring of a project director for Hungry Canyons Alliance, Inc., (2) provides training, technical assistance, office space and some equipment for use by the project director; (3) provides supervision and evaluation of performance of the project director; and (4) provides management of and accounting services for the Hungry Canyons Alliance, Inc. funds. Pursuant to this management agreement, the Organization made payments to Golden Hills Resource Conservation and Development, Inc. for administrative duties and payroll reimbursements in the amount of \$110,000 and \$110,000, for the years ended June 30, 2015 and 2014, respectively.

NOTE 4 RELATED PARTY TRANSACTIONS

Hungry Canyons Alliance, Inc. received \$450,000 in passed through state support from Loess Hills Development and Conservation Authority for the years ended June 30, 2015 and 2014. Hungry Canyons Alliance, Inc. is considered an affiliate of this governmental unit. Hungry Canyons Alliance, Inc. also expensed \$9,000 and \$6,750 in administrative support to this Organization for the years ended June 30, 2015 and 2014, respectively.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Hungry Canyons Alliance, Inc.
Oakland, IA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Hungry Canyons Alliance, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2015.

Internal Control over Financial Reporting

In planning and performing our audits, we considered Hungry Canyons Alliance, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hungry Canyons Alliance, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Hungry Canyons Alliance, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combinations of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Hungry Canyons Alliance, Inc.
Report on Internal Control

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hungry Canyons Alliance, Inc.'s financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
